Beauty sweetens the soul to act
I don't break of all the misery
but of the beauty that still remains
Exuberance is beauty
Beauty is in the heart of the beholder

→ D.NO.1101 ←

Beauty is when you can appreciate yourself.
When you love yourself, that's when you're most beautiful.

The beauty of a woman is not in a facial mode but the true beauty in a woman is reflected in her soul.

There is true beauty, as in
courage, something which
narrow souls cannot dare to admire.

In love fashion & there is no easier way to express yourself than through the clothes you wear. The difference between style & fashion is quality.

◆ D.NO.1107 ◆

Real beauty is to be true to oneself. That's what makes me feel good.
Beauty is the first present nature gives to women
and the first it takes away.

Since love grows within you, so beauty grows. For love is the beauty of the soul. Inner beauty should be the most important part of improving one's self.
