"What's my style is not your style, and I don't see how you can define it. It's something that expresses who you are in your own way."

What you wear is  
how you present  
yourself to the world,  
especially to  
do, who you want  
to be. Fashion is  
instant  
language.

"What you wear is how you present yourself in the world, especially today, when human contacts are so quick. Fashion is instant language."
