"What's my style is not your style, and I don't see how you can define it. It's something that expresses who you are in your own way."

What you wear is
how you present
yourself to the world,
especially in
our hyper-visual

media, our
fashion is first and
foremost.

"What you wear is how you present yourself to the world, especially to those with whom human contacts are so quick. Fashion is instant language."
