## FOREVER FASHION!

This month, *Bazaar* enlists  
Kate Moss and two of her fellow  
style icons to celebrate the dramatic,  
enduring power of Alexander  
McQueen's vision: we indulge in  
spring's love affair with seductive  
white lace and plunge into the power  
of the season's boldest graphic prints.  
Plus, Georgia May Jagger plays the  
sex kitten in Paris, and three London  
women with their own incredible  
style show us around the homes  
that reflect their unique aesthetic

FOREVER FASHION!

It's not just about the look, it's about the feeling. The feeling of being confident, of being beautiful, of being who you are. It's about the way you feel when you wear it. It's about the way you feel when you look in the mirror and see a woman who is proud of who she is. It's about the way you feel when you know you're wearing something that's timeless, that's classic, that's forever.
