## FOREVER FASHION!

This month, *Bazaar* enlists  
Kate Moss and two of her fellow  
style icons to celebrate the dramatic,  
enduring power of Alexander  
McQueen's vision: we indulge in  
spring's love affair with seductive  
white lace and play into the power  
of the season's boldest graphic prints.  
Plus, Georgia May Jagger plays the  
sex kitten in Paris, and three London  
women with their own incredible  
style show us around the homes  
that reflect their unique aesthetic

**FOREVER FASHION!**

It's not just about the clothes, it's about the way you wear them. The way you carry yourself. The way you look at the world. The way you live your life. The way you love. The way you dream. The way you hope. The way you believe. The way you fight. The way you win. The way you lose. The way you grow. The way you change. The way you stay. The way you are. The way you are not. The way you are everything. The way you are nothing. The way you are the only one. The way you are the only one who is not.
