Everything
You want

Fashion is what you're
offered. Four times a year by

you to choose.

Branding is
an *Intimate*

"The border thing in fashion
is not to be known for a logo,
but to be known for a
silhouette."

Female
STYLE VIBES

"Don't be too critical. Don't make fashion work you, but you decide what you are, what you want to express by the way you dress and the way to live."

Something

"Don't be into trends,
make fashion your own, but
you decide what you are,
what you want to express by
the way you dress and the
way to live."

Reality is created

"What's my style is not your style, and I don't see how you can define it. It's something that expresses who you are in your own way."
