"I think our bodies are beautiful  
and I think celebrating them  
and being comfortable  
in them—no matter what age  
you are—is important.  
There shouldn't be any kind  
of shame or discomfort around it."

"Fashion you can buy,  
but style you possess. The key  
to style is learning who you  
are, which takes years.  
There's no how-to road map  
to style. It's about self  
expression and,  
above all, attitude."

Ladies Flavour®  
Fashion is our attitude

"Fashion is not just clothes, it's a way of life. It's a statement of who you are and how you want to be perceived. It's a reflection of your personality and your values. It's a way to express yourself and to stand out from the crowd. It's a way to feel confident and beautiful. It's a way to live your life to the fullest and to embrace every moment."/>
