COVER STORY

The Legendary fills the frame with its striking presence, as it always does

Modern Romance'

If you love being human and are crazy about the star behind it, you will love to wear the stylish and graceful saris for women that the brand has just launch this awesome collection.

The collection showcase partywear in vibrant color, two-tone effect and stunning look of its wearing that promise to add your style quotient!

something that really caught our eye was the silk with beautiful motif, which not only looked trendy but paired with the right kind of accessories.
