They are called from above
The glowing damsels

They fall from a world above all of us. They have long, shimmering, golden, shimmering, and brilliant hair. They are adorned in their beautiful and alluring tunics, which shimmer with the glowing gold.

The Beauty of all the worlds
The Bridge of Hope
You are the bridge between the worlds, in a world of uncertainty, you are the bridge of hope. You are the bridge of hope, in a world of uncertainty, you are the bridge of hope. You are the bridge of hope, in a world of uncertainty, you are the bridge of hope. You are the bridge of hope, in a world of uncertainty, you are the bridge of hope.
